

Dr. Manfred Küver

Dr. Küver joined TGE Marine Gas Engineering GmbH in 1989. In 1997 he was appointed Executive Vice President of the offshore business unit and in 2006 CEO of TGE Group. Since April 2017 he is member of the Supervisory Board of the Group's holding company.

Dr. Küver has strongly influenced the Group's development, especially in small scale LNG and new offshore markets. As an industry expert, Dr. Küver has been a keynote speaker at numerous conferences and events (Gastech, GTI, etc.).

Dr. Küver holds a diploma (Dipl.-Ing., 1981) and Ph.D. (Dr.-Ing.) in mechanical engineering from the University of Hannover, Germany.
